State of Wisconsin

Revised Uniform State Traffic Deposit Schedule

12

Preface

This deposit schedule was adopted by the Wisconsin Judicial Conference pursuant to authority contained in Section 345.26(2)(a), Wisconsin Statutes. This schedule is divided into two sections: Section I – Deposit Schedule for Forfeiture Actions and Section II – Bond Schedule for Criminal Actions.

Violations listed in Section II of the schedule must be brought in the name of the State of Wisconsin and treated for all purposes as any other criminal matter.

Where no bond or deposit is established by this schedule for a traffic violation, bond should be set at one-half of the maximum monetary penalty provided by law.

In a forfeiture matter, if a penalty is not set forth, see Section 939.61(1), Wisconsin Statutes, which provides a forfeiture not to exceed \$200.

In a criminal matter, if a penalty is not set forth, see Section 939.61(2), Wisconsin Statutes, which provides a penalty of \$0-\$500 and/or up to 30 days where no other penalty is provided.

This version of the schedule contains demerit point assignments for certain traffic offenses. In situations where no demerit points are assessed and there is a questions as to whether a conviction for a certain violation will appear on the driver record, the Department of Transportation should be contacted for verification. Persons who hold a probationary license, instruction permit, or no license at all, will be assessed the regular number of demerit points for their first conviction. Points will be doubled for second and subsequent convictions except for convictions under Chapter 347.
